

Voluntary Student Covid Testing Registration

Shenandoah Parents,

Our Voluntary Covid Testing Program begins Thursday, August 26 9:00am-10:00am in our school cafeteria. In order for your child to participate in testing, you'll need to register them for the program.

Click [Covid Testing Registration Link](#) to register your child for the program.

A parent or guardian must register any minor under 18 years old. You'll give a one-time consent and HIPAA authorization to share their results with the school and district. Testing is not required, but highly encouraged to keep our school community safe.

We'll test on Thursdays 9:00am-10:00am in the school cafeteria. Results will be delivered to you by text or email within 24 hours and we will follow-up with you directly if your child has a positive result.

If you have any questions or concerns, please reach out to 225-910-8308 or visit the website at www.k12testing.com.

Thank you for your participation in keeping our Shenandoah Elementary community safe and healthy.

Amy G. Butler
Principal
