

East Baton Rouge Parish library services wants to make sure that students still have access to books during our time out of school due to the COVID-19 virus. Please use the following information so your children can still read during this time away from school. Remember that the best way to improve reading is to READ!

Provided by EBR Library Services

1. Go to www.mackinvia.com.
2. In the first box type "Shenandoah Elementary, Baton Rouge" and select it when it comes up.
3. Log in to Google using your school username and password.
4. After logging in to Google, you should be able to see our district collection. These books can be digitally checked out to you to read on your device. If it doesn't say "Checkout" and instead says "Preview", someone else in the district already has it.
5. You can search by genre and reading level to find books you like.
6. If you need to come back at a later time to finish the book, it is saved for you. Click your profile avatar, then click "Checkouts" to find it. When you finish the book, click "Return".
